BEYOND THE PROMPT · WEEK 1 OF 3

The Resident vs. The Algorithm

John 14:15-27 | ESV

JOHN 14:16-17

> *"And I will ask the Father, and he will give you another Helper, to be with you forever, even the Spirit of truth, whom the world cannot receive, because it neither sees him nor knows him. You know him, for he dwells with you and will be in you."*

THE BIG IDEA

AI can process the data you provide, but only the Holy Spirit can inhabit the life you live. like an app they occasionally prompt - rather than the Divine Resident who has already

1. You Were Given a Person, Not a Program

Stop using the Spirit and start relating to the Spirit. He is not a resource you query - He is a Person you walk with every day. Jesus uses the word allos - 'another of the same kind.' He sent another Jesus, made internal. The very fact that the Spirit can be grieved (Eph. 4:30) proves He is not a program - He is a Presence.

REMEMBER THIS

AI is a tool you use. The Spirit is a Person you follow.

2. He Occupies the Void Rooms - Where No Algorithm Can Go

Stop hiding the storage rooms of your heart. The Resident already knows they exist - He's waiting for you to open the door. In Genesis 1:2, the Spirit hovered (merachefet) over the formless void - like a mother eagle over her nest. He does not wait for your life to get less chaotic. He shows up in the chaos. He hovers over it to transform it.

REMEMBER THIS

AI can reorganize your data. Only the Spirit can hover over your void and create life.

3. Residential Peace - What No Algorithm Can Compute

Stop waiting for circumstances to change before you access peace. The peace is already in the house - because the Resident is already in the house. "Peace I leave with you; my peace I give to you. Not as the world gives." - John 14:27 The world's peace requires subtraction - removing the problem. Jesus' peace is addition - adding the Spirit who surpasses all understanding.

> **REMEMBER THIS**
>
> *AI gives you answers based on probability. The Spirit gives you peace based on Proximity. Follow Along*

4. The Spirit is not a program you _____ - He is a Person you _____.

5. The Greek word allos means 'another of the _____ _____.'

6. The Spirit hovers over your _____, not just your victories.

7. Change the _____ of your prayer life.

Take It Home

1. Name one 'void room' in your life - a wound, shame, or dead dream. This week, pray over it: 'Spirit, hover here. Create what only You can create.'

2. Before you reach for your phone when anxiety rises, take 60 seconds and say: 'Your peace is already here. I receive it.' Coming Up Next - Week 2: "The Voice in the Room - Learning to Hear the Resident"
